We see brief pictures flash onto the screen. The movie is ending. We are now beginning to add the next sequel to our lives. Some of us have already seen the previews. Our cast of friends will change. New faces will appear, and some will stay the same. We are not only the writers and directors of our futures, we are the stars. There can be no understudies. The work we have done will be reviewed; parts will be criticized, and parts will be praised. Many of us will go on to win awards and achieve fame. It is our hope that as we go on in life, *Echo 1985* will provide a brief look back into the past — back into 1985, our year, our time, and the "movie" we all made together.

Editor, Echo '85

### To Sir, With Love

The graduating class of 1985 takes great pride in dedicating this yearbook to Mr. Dennis Girard. In 1982 we entered Enfield High School as all other anxious underclassmen do; yet, we had an advantage other classes did not have. The familiar face of Mr. Girard came with us to Enfield High School. At John F. Kennedy Junior High School we had just begun to know and love "Gil" Girard. Mr. Girard has taught English for seventeen years, three of them have been here at Enfield High School. Since our freshman year he has given so much to our class. He has been with us on class trips, proms, and class nights, and this year he is our much-valued senior class advisor. The first things that come to mind when we think of Mr. Girard are his friendly personality, his abundance of understanding, and most of all his outstanding talents as a teacher. Mr. Girard transcends the level of teaching because he truly cares about his students, and he will leave a lasting impression on all of us.

Michelle Bousquet

Movies have become an important part of our lives. They reflect the times, the people, and the changes in today's society. That is why we felt that "movies" would be a fitting theme for Echo 85.

We set the stage for the opening scene of this yearbook on August 7, 1984, when a group of seniors went to the East Windsor Drive-In. These pictures are just a preview of some of the finest moments from our senior year. We hope this yearbook has recorded our fondest memories at Enfield High School. We don't want these times to be "Gone With the Wind" but a permanent memory of "The Way We Were."

### **CLASS OFFICERS**

As we look back through the years and remember all the things we have done, it seems like so much time has passed, but really our lives have just begun. We are on our own once again. Through our school years we have accomplished so much and have made many special friends. We came here to Enfield High School all alone, but we leave together to search out our dreams and to make the most out of our futures. The one thing that we will always have are the memories of our school years, but the fondest moments will be of our senior year. Because we are the close class of 1985, we will remember the fun we had building the float, the great time we had at our prom and Class Night, and the laughs we shared at the Variety Show. these are the special moments we will cherish forever. We will remember all the good times we shared with our friends as well as the rewards of our hard work these past four years which will enable us to fulfill our future goals. I want to wish you all the best in life, whatever you do, and may all of your aspirations and dreams come true.

The stars of this section are the graduates of the class of 1985. Our roles in life are not unlike that of Dustin Hoffman's in "The Graduate." Our futures lie before us; we have choices to make, careers to follow and lives to lead. For the last time we are together as the class of 1985. This "Graduate" section will be a permanent record of our roles at Enfield High School. We hope you have as much pleasure looking at these pictures as we did putting them together. Best of luck.

The Foreign Language Department at EHS has continually encouraged students to study a foreign language not only to extend their knowledge of other cultures, but also to improve their potential in the world. In addition, the Foreign Language Department feels that learning other languages helps one understand and use his or her own language more accurately and effectively.

French, German, and Spanish are taught in an approach that is audio-visual with emphasis on the sounds of grammar patterns of the spoken language. Latin is also presented in a dynamic manner with audio-visual materials that help the student to develop a better cultural understanding of classical antiquity and its implications in the present.

Courses include Marching Band, Jazz Ensemble, Concert Band, and several small chamber ensembles. These groups perform throughout the school year and have represented our town and school in and out of Connecticut.

The classroom curriculum is aimed at accommodating different kinds of students: the general student, who may include the History of Electronic Music in his studies and the college bound, liberal arts and elementary education majors, who would study music theory and composition under the capable guidance of Mr. Leonard DeMaio.

Mr. Rocco Autorino, an accomplished vocalist in his own right, is in the director's chair when our mixed and select choruses take to the risers for a performance. The vocal class which he conducts helps the student gain confidence in his other solo work, improve his other vocal technique, and realize the potential of his or her own voice.

This was a dynamic year in the Art Department. The students were provided with the opportunities to acquire basic skills as well as difficult concepts. This enabled all individuals to exercise their creative abilities. Student art work was continually on exhibit throughout the building for the pleasure of the entire student body and staff. This has been a good year for field trips and guest speakers as well.

We know that this year filled with change and challenge has helped the students of Enfield High School to grow and develop their self-expression. We will miss those of you who are leaving us and hope you will carry fond memories of our Art Department.

Tenth grade students participate in a structured program which includes both team and individual sports with emphasis on fundamentals and knowledge to prepare them for selection of activities as juniors and seniors. Juniors and seniors are required to take physical education and also have the opportunity to select from a wide range of activities that are offered. The emphasis at this level will be to further acquaint students with numerous activities and to help define their skills for a lifetime of physical activity.

### Family Living

Mrs. Christina MacDonald
Family Living Department Chairperson

Standing. Mrs. Margaret Fitzgerald, Mrs. Ellen Frost. Sitting: Mrs. Christina MacDonald.

Regardless of ethnic and economic backgrounds, we all share certain commonalities; we are all part of a family, and we are all consumers. However, many individuals do not have an opportunity to understand or develop the skills necessary to deal with problems related to ourselves, our families, and society in general. The department of Family Living and Consumer Education focuses upon the individual and seeks to develop self-awareness through a variety of courses dealing with many aspects of our personal and social lives. Course offerings include Independent Living, Family and Society, Parenting and Child Development, and Career Planning, as well as courses in the areas of food and clothing.

The pictures on this page are taken from the Child Development Lab here at Enfield High School.

## Congratulations, Dan!

Dan Tyler and advisor, Rose Porcello, attended a ceremony on October 26, 1984, in Washington, D.C. He received a \$1,000 check and a plaque for his poster "Drunk Driving Is Breaking America's Heart." On November 20, 1984, Governor O'Neill presented him with an award at Enfield High School.

We, the Class of 1985, not being of sound mind or body, leave the following to our fellow classmates, respected faculty and lowly underclassmen:

I, Maureen MacDonald, leave Michelle and Laura with all the fond memories of the good times we had!

I, Annette Chaloux, leave Mary and Joanne mufflers to last a lifetime!!

I, Karen White, leave all my love to Mr. Cambell, Mr. Murphy, Doctor Taylor, Mrs. Piela, and Ms. Tober for her guidance.

We, Donna Tadiello and Dawn Massey, don't want to leave the best little hockey coach "Mrs. B.!

I, Michelle Bousquet, would like to thank Mr. Girard for all the understanding, support and friendship he has given me over the last five years.

I, Elizabeth Nitch, leave Kerrie hoping for a certain someone.

I, Linda Horvath, leave Audrey Fusco still a very dear friend after 12 years because we know that we were "never anything but honest."

I, Dawn Oneto, leave the Enfield High Girls' Swim Team one second off.

I, Lynn Gourinski, leave Mr. DeRose the physics test I never passed and also with the knowledge that I loved his class.

I, Brian Webster, leave Marc Spruill, Mike Wick, Joe Carrara, and Bill Nelson the Polish Tank knowing they will never have a car as good.

I, John Santanella, leave my fellow classmates a big Thank You for all the laughter, all the tears, and all the friendships that we've made together in hopes that they will never end.

I, Lisa Dubreuil, leave Rodney, Mary and Laura a big "Thank You" for all the good times we shared.

I, Wendy (Boom Boom) Boudreau, leave Dean Bickford, Jeff Bouchard, and Steve Bessette a big kick for this old nickname.

I, Lori Rice, leave Jennifer Rice, Jeff Mara, Nancy Fritze, Jay Delorge, and Jayson Ouellete as many good years in E.H.S. as I had.

I, Lisa Pond, leave Uncle Bill a "grog" that can fly by itself, and many wonderful chapters of our book, "The Pope and the Potato."

I, Tim Harvey, leave Kelly with the thought that I shall never forget her as long as I live. I'll love you always and cheirsh our special memories.

I, Lisa Renna, leave Wendy Boudreau and Sharon Albro the expression "painting the town literally," and we sure did!

I, Mary Higgins, leave Joanne Mahalski a new muffler to replace the one she lost at People's Forest.

I, Natalie Boudreau, leave Mary Ann Pelligrinelli a computer (that works) and a convertible Mustang.

I, Lisa Proteau, leave Brian all the fun times I had at Enfield High. Good Luck!

The movie "American Graffiti" was about the bits and pieces of the lives of teens from the 1960's. It resembled the true language of American youth through the activities they performed. This section is a take-off on this theme, and its intention is to portray what "Graffiti" is in the 1980's at Enfield High School.
